2 bed / 3 bath / Sleeps 6 / Pets Allowed

Crimson Bear Mountain is one of the most peaceful cabins in the mountains. Sit on any of the three levels of deck and enjoy a cup of coffee and the beautiful mountain views. Spend a quiet evening with family and friends beside a warming fire in the cozy living room, or snuggle up and watch a movie on the LCD TV and DVD player (there's dozens of hit movies in the TV cabinet).

The basement offers a full-sized pool table, and just outside the back door is a full-sized deck with a hot tub, fire pit with seating, and amazing mountain views. The living area is cozy and offers a large LCD TV with satellite. All furnishing are done in a traditional Tuscan décor with just the right touch of country cabin feel. Just outside the back door you will find a big porch swing, BBQ grill and seating for at least 6 on this great second level screened-in porch.

You will find something at Crimson Bear Mountain that won't find in any other rental cabin – Authentic Signed Memorabilia that you can actually purchase, including Kenny Chesney, Willie Nelson, Trisha Yearwood & much more!
